Applicant's amendment filed on 1/12/06 has been entered. Accordingly, claim 31 has been canceled, and claim 29 has been amended. Application is now in condition for allowance.

Reasons for allowance

Claims 29-30, and 32-61 are allowed.

The following is an examiner's statement of reasons for allowance: applicant's amendment and accompanying remarks has persuaded the examiner to place this application in condition for allowance.

Claim 29 is allowed because the prior art of record failed to show or suggest a support for a light engine having a mounting surface residing on a first side and said mounting surface having a first support arm, a second support arm and a contoured projection extending longitudinally, said contoured projection is adapted to contact a housing; and an optic surface residing on a second side; said optic surface having a central channel a pair of sidewalls, and a pair of tracks in which a PCB having at least one LED is slidably mounted as presented in claim 29.

Claims 30, and 32-61 are allowed because being depended on base claim 29.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communication from the examiner should be directed to Ali Alavi whose telephone number is (571) 272-2365.
